

## DIRECTIONS TO SONJA GABRIEL / FLYING HANDS WITH PUBLIC TRANSPORT

1220 Wien, Komzakgasse 21 / Meißauergasse 21, staircase 2 or 3, 1st attic, Top 2413

You take the U1 (or tram no. 26 coming from Strebersdorf, Floridsdorf or Stadlau) and get off at "Kagraner Platz" (attention: not "Kagran"). If you come by underground from the center, at the backmost end of the platform there are two elevators to the exit "Wagramer Straße" (don't take the escalator to the exit "Kagraner Platz").

On street level at the corner on the other side of the street (at the right diagonal) you can see a shop called "Sportique". You go there, turn (left) into "Am Freihof" and immediately at the first street right (Komzakgasse). After you turned you will already see the modern building in whose yellow, strangely shaped roof you can get a Lomi, a Sound Massage or another relaxing treatment. Only about 30 more meters and you are in front of the passage into the courtyard opposite of "Heckenweg".

Last steps: In the courtyard you pass at two very small gardens at the left and ring the bell at staircase 3, top no. 2413 (on the lower intercom system at the right hand side, at about the middle). You take the elevator up to the 1 DG (first attic floor) and pass under the overhanging yellow roof to the right hand side until you reach the third door. Left and right of the small bridge to the apartment there are two signs: "Flying-Hands" and "Lomi Lomi Nui, Klangmassage, Thai Yoga". On the door there's a picture of a spiderweb with dewdrops as well as an "energy practitioner-sticker" and above the door there's a horse shoe – here you are totally right!

Here a map for illustration:
